## WORK HISTORY

### Paraprofessional - Bogert Elementary School (August 2025 - Present) Upper Saddle River, NJ

Assist the classroom teacher with instructional plans and activities. Provide one-on-one or small group support to students, grades 3rd - 5th. Support students with disabilities by assisting with individualized education programs (IEPs) and accommodations.

### Art Instructor - Cre8sart (December 2024 - Present) Glen Rock, NJ

Develop and teach engaging digital art curriculum for middle/ high school students, covering tools such as Adobe Photoshop, Animate, and Procreate. Develop detailed course syllabi, outlining schedules and materials, while guiding students in building their art portfolios. Provide individualized feedback to students, guiding them through their creative processes and helping refine their art skills.

### Substitute Teacher -Allendale School District (October 2023 - September 2025) Allendale, NJ

Follow lesson plans provided by the teacher to create consistency for the students. Supervising students in and out of the classroom, including the playground and cafeteria. Demonstrating professionalism, reliability, and flexibility in fulfilling substitute teaching assignments.

### Young Artist Workshop Instructor - Moore College (October 2022 - April 2024) Philadelphia, PA

Taught college level curriculums including animation and illustration for high school and middle school students. Created a syllabus that included the class schedule, materials and description of the course. Utilized technology and multimedia resources to enhance learning experiences, integrating digital tools and software into art projects.

### Art Instructor - Master Art Studio (June 2020 - September 2025) Ridgewood, NJ

Lead instructor for an animation class, creating a curriculum that includes using the Procreate app. Demonstrated diverse art mediums including drawing, painting, sculpture, and mixed media, enriching students' understanding and appreciation for art. Develop and foster an enthusiastic and positive classroom environment.
